**Greetings in the Name of Jesus Our Provider!**

*Unless the LORD builds the house, They labor in vain who build it; Unless the LORD guards the city, The watchman keeps awake in vain. (Psa 127:1 NASB)*

If a project can be accomplished with your resources and know-how then you are probably thinking too small. God given visions require God's presence, direction and supply. The good news is that God has placed us all in the body just as He wanted us. *But now God has placed the members, each one of them, in the body, just as He desired. (1Co 12:18 NASB)*

Last month we announced the addition of two new staff members, Bill and Cheri Raudenz. We,

at YWAM and Faith Christian Mission, are so grateful for their help and the Christian experience they bring with them. We are still

believing for additional staff when the DTS (Discipleship Training School) begins.

**Prayer:** We have been having consistent prayer meetings on Tuesday and Thursday nights. One meeting is for the staff of YWAM,

and the other meeting is a community-wide meeting for the Christian men to pray for unity and lift one another up in prayer. We understand that this base is first a *house of prayer* — for their is no discipleship-making without prayer.

We are still believing for the funds to purchase a modern, oil boiler that will be much more efficient than the one that shut down during the coldest part of winter! A local businessman has offered to donate sheetrock and pex (polyethylene pipe) to replace much of the copper that ruptured. We still need to purchase the main boiler and are hoping to add a water-heating coil that will allow us the hot water needed to run a base with 20 to 30 people present.

We appreciate your prayer and financial support, especially all those who have given special gifts, beyond your monthly offering.

Know that God will establish a base and, "build the house." We don't want men's dream but God's will — to preach the Gospel and make disciples, freely giving out of God's own love for the lost.
