"And although you were formerly alienated and hostile in mind, engaged in evil deeds, yet He has now reconciled you in His fleshly body through death, in order to present you before Him holy and blameless and beyond reproach--" - Colossians 1:21-22

All of us were hostile to God and alien to His holiness. It is only through the cleansing blood of Christ that we are brought near and allowed into His presence. This is the work of the cross. It is God's will for you to be cleansed and holy before Him - to be like Jesus. FCM/YWAM has partnered with Cleansing Stream, with most of our staff already trained and teaching at the base, and other churches in the area. This program has brought a lot of response and meeting in three locations a week. People here have a deep desire to be free of the sins and bondages of the past, and this course has helped provide that. We are excited as to how God will continue to use this in Fairbanks and then to the surrounding villages.

In just a few weeks we have teams coming from other

churches and YWAM bases to minister with us. Winter is losing its grip and soon it will be much easier to travel into the villages. We continue to partner with ministries in the churches and Nathanael Wolf (teaching on deliverance). God's Spirit is stirring up a genuine hunger and people are not satisfied with just being a "regular"

Christian. Training others to do what we do and multiplying leaders is our greatest joy.

We had a new supporter make a significant monthly pledge to help with the weekly feeding program at Golden Heart Church that meets in downtown Fairbanks. Every week we feed over 100 people and it is a great blessing and opportunity to share the Gospel.

We still are in great need of regular monthly supporters for the YWAM base — this has been our greatest challenge since that seven-acre property requires the most upkeep and expenses. We are grateful for every supporter who is faithful in their giving and prayer support.

We are also in the process of raising funds for the outreach to Canada, traveling through Yukon, British Columbia and Alberta. We need \$3,000 for this trip to provide for the team and outreach materials. We are focusing on Native People's in those areas. We lift your prayer requests up weekly, please continue to send them in and remember us as well. Alaska for JESUS!

Giving Update: We now have the capability of accepting Debit or Credit cards if you would prefer to give this way. Please contact Jennifer Morris the Office Administrator at 504-782-5653 for more details.
