And all these, having gained approval through their faith, did not receive what was promised, because God had provided something better for us, so that apart from us they would not be made perfect. Heb 11:39-40

God keeps promises to us and through us. We may be receiving the benefit of promises and words given to those who have gone before us from generations past. God may be giving us direction that will be fulfilled beyond our lifetimes. This is hard for us to understand in the grand design of God, because we have such a limited perspective. We walk by faith and not by sight. (2 Corinthians 5:7). This also means that our walk of faith includes others, and is not fulfilled apart from what God is doing in us as the Body of Christ. God is preparing the Bride of Christ throughout all human history. Together, as the community of Christ, we are made perfect.

We are starting to have our summer influx of teams flowing through the YWAM base here. It has started early this year. Spring/Summer is when most of our outreaches take place. Below is a picture of a group from YWAM called, "Circuit Riders," named after the early Methodist Preachers who would ride from town to town preaching the Gospel, usually on horseback. The Circuit Rider movement focuses on reaching Universities and High schools, and started out of California, like the original Jesus Movement.

Prayer Requests:

- Outreaches for 2019
- New Staff Members
- Discipleship for Leaders

We are delighted to partner and host them while here.

The picture above is a Mission team from a DTS (Discipleship Training School) from Hawaii. They plan to visit surrounding villages with discipleship training to encourage the local church. Many plan to study in the medical field after DTS. Several already have paramedic and nursing backgrounds. The gentleman on his knees in the blue shirt and green cap is part of that team, and felt called to Africa since the age of seven, despite struggling with cystic fibrosis. He believes that God will give him strength to complete that calling and Pastor Craig, from Mountain Mover's Church, prophesied that it would take place and he would outlive us all! With God, nothing is impossible!

We have many other teams that will be staying with us, as we are the only YWAM base capable of hosting large groups in this area. We believe every need will be met and many blessed through your continued support of YWAM and FCM. Keep walking in faith and God will fulfill His promises in you and through you.
