To God's People Chosen For Good Works!

"We must work the works of Him who sent Me as long as it is day; night is coming when no one can work." (John 9:4)

These words are so true. All around us, we see the works of darkness as the enemy tries to manifest its hatred for the Kingdom of God through both literal and spiritual attacks. Out of every 100 women in Alaska, 59 experience some type of intimate partner or sexual violence. This is true of both the Native and non-Native populations - it is a spiritual stronghold! As you know, one of the main goals of joining FCM to YWAM Fairbanks was to renew the Discipleship Training Program at the base. This has not been easy and it has

been very difficult to recruit staff and students who will dedicate themselves to minister in Interior Alaska. The board of YWAM, after prayer and consideration, has decided to use the fish and loaves that have been placed into our hands. As the pictures show, one outreach we are a part of is a feeding ministry to the displaced and homeless, in which

over 150 Native people came to share food and hopefully sense God's love. Also, one of our staff and her husband are

Prayer Requests:

- Development of Food Ministry and Outreach
- Monthly Support for YWAM Base
- Development of Teaching Seminars
- Dedicated long-term staff for YWAM Fairbanks

presently receiving training from YWAM in the lower 48 to teach on how to deal with the problem of domestic and sexual violence. Hand and hand

with this seminar is the need for teaching and ministering in the area of deliverance, both here in Fairbanks and to the villages. In order to train future disciples that will be dedicated to long-term ministry, we must break the strongholds that keep them bound.

Testimony: Another ministry (construction) team has come to help us continue the physical aspect of fixing up the YWAM base. They are moving the old carport/woodshed in order to make room for a larger parking area. This is especially helpful when snow is piled up and for the goal of having seminars and retreats at the base year-round. This particular team has already promised to return next year to help us with any major projects.

Please partner with us in prayer to see these ministries develop for we know that it is not by might or power but only by God's Spirit that people are truly set free!
