*"Such were some of you; but you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus Christ and in the Spirit of our God."  
1 Corinthians 6:11*

Paul is speaking to the Corinthian Church and reminding them, in the preceding verses, that they came from a dark past. Without God there is no hope, but because of Jesus we are washed, sanctified and justified by the Spirit of God — that is the central message of the Gospel.

**Testimony:** This past month a young man by the name of Josh came to our "Youth Outpouring" outreach, and then joined in at the Tribal Hall service and outreach to Minto village with our ministry team from Louisiana. There he gave his life to Jesus and was baptized in the lake at Minto. He said his heart broke when he saw

people "free" to worship God and wanted that same freedom. While in the same village we had a VBS for the kids and our ministry team had a chance to interact and "love" on the children. many ways and sometimes it's the little things that makes the most difference. Repairs were also made to the base with the ministry team helping to replace the insulation on the bottom of the main building at YWAM Fairbanks. We are so thankful for the teams that come up and we believe that God will bless their home churches for sending them with their own harvest.

**Need:** Our most pressing need is to purchase fuel for the winter season while the prices our low. For all the tanks to be full takes about \$5,000. Those prices can almost double when demand peaks, so we like to buy early, although we usually get first snow mid-September. Thank you for your faithful support and prayers.

**Giving Update:** We now have the capability of accepting Debit or Credit cards if you would prefer to give this way. Please contact Jennifer Morris the Office Administrator at 504-782-5653 for more details.
