*So I prophesied as He commanded me, and the breath came into them, and they came to life and stood on their feet, an exceedingly great army. - Ezekiel 37:10*

The Prophet Ezekiel was shown a vision of a valley of dry bones. For all these bones to be on the ground out in the open, there must have been a great battle and therefore a slain army. There is a great battle taking the lives of many people in our nation both physically and spiritually. The army of the Lord (the Body of Christ) must rise up and follow the instructions the Lord gave to Ezekiel: Word and Spirit. The Word of God brought structure to the army and gave them flesh, but the Spirit of God gave them breath to live again as an *exceedingly* great army. Covid 19 has not put the Kingdom of God and the preaching of the Gospel on pause.

God is beginning to raise up Native Men from Alaska to be on fire and preach the Gospel, and heal the sick. The picture left is of a young man named Noah who is preaching to Golden Heart Church. Despite the limitations

from the virus, Golden Heart is meeting in other facilities to continue to preach the Good News and do outreach however they can.

**Prayer Requests:**

- Protection and Health for Workers
- Long-Term Staff for YWAM
- Summer Outreach

Also, Brandon Mayo and His brother Royalyn, pictured right, were sharing at KJNP radio station their testimonies of being delivered from drugs and alcohol. Royalyn was just

recently saved and is already sharing his testimony. God is really moving in this family as their father was diagnosed with Covid 19, and was having much difficulty breathing. Brandon felt like a spirit of fear was upon them and he felt led to rebuke it, and they prayed earnestly for healing and three hours later his father called and said he could breathe well again, and was recovering quickly — no ventilator needed!

Praise God for using these new believers to encourage others with their testimony and and believe for their family to be delivered from sin and sickness.

We are continuing to believe for doors to open for outreach and make repairs on the base during the summer before winter comes. We felt like we skipped summer this year and went from spring to fall — having to use the heat at night during the summertime! We continue to lift your prayers up that are sent in, and cherish your prayers and support for this ministry.

*Co-laborers in Christ,  
Joyce Thurlby*
