"But the angel said to them, "Do not be afraid; for behold, I bring you good news of great joy which will be for all the people; for today in the city of David there has been born for you a Savior, who is Christ the Lord." - Luke 2:10-11

In a world with so little good news, knowing that Jesus has come "for all the people," as their Savior, is worth waking up to every morning. We often forget, that no matter what else is going wrong, whether it be financial, family or health problems, we are still going to be with Him FOREVER and our sins have been FORGIVEN — Jesus is the King and we are citizens of His kingdom first. That is GOOD NEWS!

Refreshment: Staff and friends of YWAM and FCM were able to come together and attend a Cleansing Stream conference in California. This was a great time to bond and receive ministry ourselves. Over the busy

summer season we can become depleted. All of us became certified to minister the same content we received and there was much emotional healing and repentance that took place in our own lives. We also had the opportunity to visit Bethel Church in Redding, California, and receive personal ministry and prophecy from the ministry team there. This was such a revitalizing time — Jesus said to "wash one another's feet" (John 13:14). We all need cleansing and healing.

Personal: I will be traveling to see my family and friends in Texas from December 11th through the first week of January. The Morris family is staying here while I am gone — please pray for full recovery for Jennifer Morris, who just had hip surgery and has therapy for the next three months. We appreciate all your prayer and support and look forward to what God is doing this next year. Remember the reason for the good news and share it with all!
