Now after Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, wise men from the east came to Jerusalem, saying, "Where is he who has been born king of the Jews? For we saw his star when it rose and have come to worship him." - Matthew 2:1-2

The wise men knew the significance of the star that led them to the King of the Jews. They understood that they should seek him out and bring gifts to honor and worship him. Believers know who Jesus is and have the Gospels to explain what God has done in Jesus Christ. We can't underestimate the privilege of knowing Jesus and the wisdom he imparts through the presence of the Holy Spirit in our lives. This is the season we celebrate the coming of Jesus, that First Advent, and our response should be to worship, as did the shepherds and wise men. Our hope is for Christ to return for his bride in the Second Advent!

Above, is a recent picture of my front yard. We have had lots of snow and temperatures as low as -35 already. We have to have our driveways plowed often, so the snow does not build up too much, or else you can become trapped in your own yard.

Needs: We have a special request from KJNP (King Jesus North Pole Radio Station)

<http://www.mosquitonet.com/~kjnp/>.

They are in great need of an engineer for their TV station so that they can resolve issues and resume their TV programs. It needs to be someone who has their own support or retired and willing to do this as a ministry.

They broadcast all year and most hours of the day. It reaches all Alaska and into Canada.

Travel

Plans: I will be flying to Texas on December 14th to see my children and family. I will be returning to Alaska on December 28th. Please pray for good flights and protection there and back.

May the Lord bless you and your children. May all those you are around experience the light of Christ. May love and generosity be the gift you share with with everyone you encounter.

*Merry
Christmas,*
