""Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father." - John 14:12

Let Me be Me in 2016! This is the word the Lord gave me for 2016. It means to let God be in us who He is. We can do what Jesus did because the Spirit of God dwells in us. It is also important not to try and imitate the ministry of others because of the success they might have. Do what God has shown you to do!

Testimonies: In the last newsletter we spoke of the power of prayer and fasting and God has truly been networking the ministry with other ministries in the area as well as giving us favor. Anthony and Jennifer Morris took the Encounter Youth group to THE WINTER RAMP in Tennessee. After a powerful time of ministry and renewal, they returned with passion for prayer and outreach. They descended on Walmart and boldly prayed for those at the store — no one protested the

power of God! This same passion for prayer is filling the churches as well.

Another local church in the area also offered to donate their library to YWAM Fairbanks to continue building up our ability to have quality resources available for our students.

Prayer Requests:

- Wisdom for Board of YWAM
- Students and Staff for Freedom House Program
- More Supporters for YWAM discipleship programs - especially local churches.

This is such a great blessing and one that we didn't ask for, just favor from God.

News: YWAM Tyler will be sending teams to minister in the Spring (still winter here) for as much as 4 to 6 weeks. We will be their home base as they conduct outreaches to the surrounding villages and communities, as

well as minister in the churches. We are praying for great opportunities and the power of God to transform their lives as well, as they minister in Alaska. Please continue to pray for open doors and additional staff to make the commitment to serve, especially for YWAM Freedom House — this is a crucial ministry, as there is no long-term treatment in interior Alaska that is faith-based for those recovering from abuse and life-controlling issues.

Don't forget to call, email or write us if you have anything you would like us to lift up in prayer. As our supporters, part of our ministry is to pray for you. We do this individually and as a group every Thursday. We are looking forward to see God do marvelous works in the months ahead.

Giving Update: We now have the capability of accepting Debit or Credit cards if you would prefer to give this way. Please contact Jennifer Morris the Office Administrator at 504-782-5653 for more details.
