*“ and He made from one [man] every nation of mankind to live on all the face of the earth, having determined [their] appointed times and the boundaries of their habitation, that they would seek God, if perhaps they might grope for Him and find Him, though He is not far from each one of us; - Acts 17:26-27*

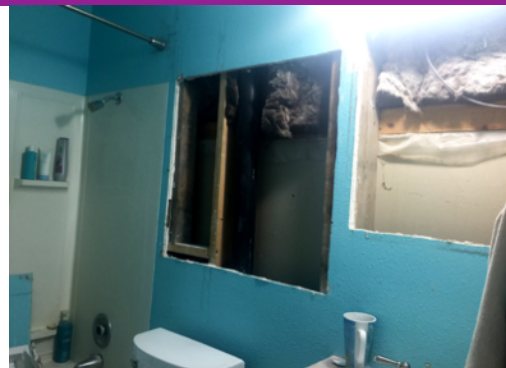

Though it may be difficult for us to believe, we are all connected because we came from one family. God appointed the boundaries of all peoples and nations. Every tribe has a desire to seek after God and we can call upon Him and He will answer! (Romans 10:13). Paul was speaking to the people of Athens at Mars Hill and noticed they had a statue to an “Unknown God.” God may be near to all, but do you really know Him? To Know Him is to love Him and follow His Spirit.

Recently, one of our outreach teams from Golden Heart Native Church, traveled to Ruby, Alaska by plane - only way to get there in the winter. Ruby is located on the Yukon river about halfway between Fairbanks and the west coast of Alaska. They were able to speak to the students at the school how God delivered many of them from bondage and addiction. They were allowed to pray for and minister to several students and there was even a last-minute conversion before they left. They said God’s presence was so thick it was hard to speak. They left discipleship books and disks to help the new believers and hope to follow up and encourage them.

**Prayer Requests:**

- Repairs to house caused by frozen pipes
- Long-Term Staff for YWAM
- Vision for New Year

Last newsletter, I mentioned that the heat to my house had shut off unexpectedly, and caused a freeze-up. The repairs, which included having to replace a water-softener system and repair almost all the water supply pipes has come to almost \$9,000 so far. Praise God, the main heater system and pipes were not badly damaged, but we still have to fix all the holes in the walls (these are just a few pictures). It has been quite a trial and I would appreciate any extra offerings that might be given toward this expense. This was not covered by insurance.

We know that God will supply and that the revival in the villages will keep on! We cherish your prayers and support and believe that 2020 will have many blessings, salvations, healing and miracles to come! We live to declare the power of the God who is “Unknown” to so many people here in Interior Alaska. Let us all strive to know God to the fullest.
