***"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, - Matthew 28:19***

It has been almost 2000 years since Jesus gave this command, but its power is still the same. Every believer receives the Great Commission when they make Jesus Lord. It is not just for missionaries that go to other nations. It is for us to obey in regard to our work, community and family. We are all ministers of reconciliation (2Corinthians 5:18). Everyone we come in contact with is a someone we can share the Gospel with, whether by direct words or our actions.

One of the ministries we work with is KJNP. They are a Christian radio station that has been on the air in Alaska, Canada and even reaches into Eastern Russia, since 1967.

One of their workers, Susan Brown is in the hospital right now, suffering the effects of an infection and other complications, and needs divine intervention. KJNP is a powerful ministry, especially for the Native community, since it is the only radio station that some of the villages can receive. They are especially in need of engineers and workers with radio experience. If you know someone who

can raise support or is self-supporting and have skills in this field — they could use your help! The Gennusa family is staying on the YWAM Fairbanks base while they receive training in Alaska and have been a great help to the base. They are planning on being missionaries to India and would like to go there in May. Their youngest child is adopted and need to finalize that

process so that they will be able to take their whole family to India. They can't leave till all the paperwork is in place. They have been training for years for this purpose and we are agreeing with them in prayer for favor with the adoption system to allow them to leave the country.

My own granddaughter, Karis Thurlby, began her DTS (Discipleship Training School) on January 8th. She will be at YWAM Tyler for three months training, and then will do her outreach for two weeks in the States and six weeks in Norway! She is very excited about this opportunity and has wanted to do a DTS since age 13. Below is a picture of her with her fellow students and

staff. She is in the middle in green jacket. All of these ministries, people and even my own grandchildren, our endeavoring to obey the Great Commission of Jesus. We are not alone. We have the Holy Spirit as our Comforter, Helper, and Advocate. He empowers us to do the Father's will and face any fear. We can also support others through prayer and finances. Please be in prayer for all those mentioned, as well as the leadership of Golden Heart church and Mountain Movers, the two main congregations we serve.

If you would like to receive a giving receipt for the 2022 year for FCM or YWAM, please call me at 325-201-1866 and let me know and we will send you one. You can also email to [worldreachjt@outlook.com](mailto:worldreachjt@outlook.com). Thank you so much for all your support and prayer in 2022, and we believe that 2023 will be a year of harvest and growth for all ministries. *Co-laborers in Christ,*
