"While they were ministering to the Lord and fasting, the Holy Spirit said, "Set apart for Me Barnabas and Saul for the work to which I have called them." - Acts 13:2

2016 is a NEW YEAR! So much of our daily lives are focused on ourselves and personal concerns. The Lord has shown us that it is a year to focus on the Lord and "minister" to Him. This means having an attitude of fasting and prayer, leading to a repentance in the body of Christ. This will set us free from selfishness and release us into His calling and true power to set the captives free. The enemy and society will oppose us in this effort through distraction and persecution, but we must press through in prayer and fight for the unity of the brethren.

Answered Prayer: A few weeks ago, we received a call that a private theological and ministry library was being given away. We jumped on the opportunity and they gave the YWAM base ALL the books. This is a great blessing to have these resources, as they will give the students of the recovery program, Bible school and DTS programs access to powerful teachings and reference books.

Dennis Raines (Operations Director) has been itinerating in the local churches and planning fundraisers. One will be a silent auction to be held in

Prayer Requests:

- Wisdom for Board of YWAM
- Students and Staff for Freedom House Program
- More Supporters for YWAM discipleship

March. We are building relationships with ministries and government services that have access to those who have been recently released from prison and rehabilitation facilities. Two native churches we work with, Golden Heart and Mountain Movers, have been experiencing great revival and many salvations and healings. YWAM Freedom House Fairbanks' mission is to take these new converts and see them through in discipleship and training so that many will go back to share the gospel in their villages and see the evidence of a transformed life.

Personal: I was able to spend some time with my children and their families in Corpus Christi and Odessa, Texas, during the Christmas holiday. It was a wonderful time to relax and reconnect with them, since Interior Alaska is so far away — they can visit in the Summer!

The Bible promises (Matthew 19:29) that those who have given up family and homes for my sake will receive as many times as much in this life. My friends and fellow ministers in Alaska, and all of you who support in prayer and finances, are the fulfillment of that promise — we cherish your friendship!
