And He who sits on the throne said, "Behold, I am making all things new." And He said, "Write, for these words are faithful and true." - Rev 21:5

ALL THINGS NEW! He is the God who sits on the throne above all the heavens and earth, over all reality and time, and His words are faithful and true. No matter what has happened this past year, God can, and will create a new path in the midst of the turbulent world. It is

a **New Year** full of new opportunity to share the Gospel and live out our testimony of what Jesus has done. Left, is a picture of the

Christmas party at the YWAM base in Fairbanks, Alaska. We had a wonderful time of sharing food and gifts, especially for those whose families are far away. Some of the YWAM staff will be traveling for Christmas, so we always try to have it before everyone leaves.

Vision: After Christmas, we as a church and group, will fast during January for guidance and God's presence. We believe God will give us vision for the New Year and we are already believing for great ministry. Many ministry teams are already planning to come during our summer session. We will continue our weekly prayer at the base and teaching on the weekends at FCM, as well as the ministry at both Native Churches (Mountain Movers and Golden Heart). We are also planning to have a short-term Disciple Training program that would be for High School age, as well as some outreach to children as well. Often, many ministries focus on adults, and there are so many children needing direction.

Prayer Requests:

- Repairs to house caused by frozen pipes
- Long-Term Staff for YWAM
- Vision for New Year

Family: I arrived in Texas on December 17th and was able to spend time with my children till I returned on December 31st. Derek, my son, and his family transported me to Corpus Christi, Texas, to spend time with my daughter, Shana Hisaw, and her four children. They are in the picture above. To the right our Tonya and Derek's three children standing with me in front of a Beach Shop on North Padre Island. So, I

have seven grandchildren that God has given me and they are growing up so quickly. We had a lot of fun eating, playing games, and giving gifts. I am hoping they will all be able to come to Alaska again to see me here.

Prayer Request: Right before I returned my heating system in my home shut down and this froze my water pipes in my house. We don't know why it stopped working, but was able to start it back up. But, we now have many pipes to fix because of this. Please pray for this to be resolved quickly and without much cost.

Have a Blessed New Year!
