And He who sits on the throne said, "Behold, I am making all things new." And He said, "Write, for these words are faithful and true." - Revelation 21:5

Every New Year we are reminded that there will be a day when God Himself will be among men to rule in a kingdom that all will see. There will be a new heaven and earth to reflect the reality that he has placed on the inside of us, by the indwelling of His Holy Spirit. The God of all creation lives in us — so we should always have hope! We can be deceived into believing that the world will never change. The scriptures declare otherwise. Let us yield to the rule and reign of God in our lives first, and God will restore this world in His time.

December 13th through 30th, I flew down to Texas and was able to spend time with my children and grandchildren. Since I only get to see them once or twice a year, I cherish every moment we can be together. Below is a picture of all seven grandchildren with me.

Right, is a photo of my Son, Derek Thurlby and family.

My trip had a few delays on the way back with all the flight turmoil nowadays. While I was gone, the temperature dropped below -40 degrees and my water froze. My friends, Marvin Carroll and Chris Paul, came over and thawed out the pipes, so there was no damage. I praise God for help in this area. This is why heating oil is our biggest expense and the snow won't melt till May!

Some of you have asked for a link to Dale Thurlby's book: **Encounters with God! Experiences of Hearing God's Voice**. I am placing a link and QR code you can type or scan. It is available as an ebook and all proceeds go to missions. <https://a.co/d/8mHpMPH>

You can type the web link into your browser or scan the code with your smartphone and it will take you directly to the page to order it on Amazon. It contains forty experiences that he shares that happened during his life and ministry. It also has a section on hearing God's voice. It is truly an inspirational book to read and share with others.

Please be in prayer for all the families that help with YWAM Fairbanks and FCM. This new year will be filled with many ministry opportunities and we are planning our summer outreaches already. I believe there is a great harvest in store for 2023 as we dedicate ourselves to prayer and fasting. Pray for leaders to rise up and help with the ministries here. Please feel free to call, text or write any requests you have for prayer. We would welcome the opportunity to pray for you as well!
