""But we will devote ourselves to prayer and to the ministry of the word."" - Acts 6:4

In any ministry it is the daily disciplines of prayer and reading the Word of God that make the most impact. This is true for our personal life as well. Without knowing the Word we have no sword to combat the lies of the enemy that encompass us in this world. Without prayer we do not have the presence of God, and we do not hear His voice. It is the weekly prayer and discipleship, especially our partnership with local churches, that will have a long-term impact on Interior Alaska.

As we have said before, we have a meal every Sunday afternoon at Golden Heart Church in Fairbanks. Many

of the Natives enjoy when we are able to have wild game in our meals. In Alaska, any animal killed accidentally or illegally is not wasted. The state keeps a

list of charities to call on anytime of day to harvest an animal (usually from a vehicle collision). This month we received a call late at night to harvest a moose that had been hit by a vehicle. It was a large female and now we have freezers full of meat we can use for our weekly meals — Praise God — Everyone loves fresh moose stew!

We had the privilege during our YWAM outreach with Mountain Movers Church to ordain Brother Andrew from Uganda as an evangelist representing YWAM Fairbanks.

Brother Andrew has proven himself to care for the peoples' of Alaska. We hope to ordain many others in the future. We always need those willing to preach the Gospel without fear or reservation. Prayer and the Word of God will

win over the cycle of addiction and depression! Please remember the upcoming Youth Outpouring July 14-20. We are believing for a true change in the Youth of this region and for young people to enter into discipleship. The summer is our busiest time of harvest. We are believing for each of you as well for ministry opportunity. We pray for your requests weekly.

Giving Update: We now have the capability of accepting Debit or Credit cards if you would prefer to give this way. Please contact Jennifer Morris the Office Administrator at 504-782-5653 for more details.
