... As the deer pants for the water brooks, So my soul pants for You, O God. My soul thirsts for God, for the living God; When shall I come and appear before God? My tears have been my food day and night, While [they] say to me all day long, "Where is your God?" - Psalm 42:1b-3

Jesus told the Samaritan woman at the well, in John 4, that if she would ask of Him water, she would never thirst again. All that this world has to offer will leave us unsatisfied. Only the Spirit of God can give us the "water" that comes from the presence of God in our lives. The world may try to convince us that God does not care. They may even mock us for believing in God at all. So, if you find your soul "thirsty" and in need of purpose in life, look to God's presence and His Word. It is easy to doubt, and an act of faith to call out to God. If we look for purpose and meaning, in other things or people, we will be disappointed. Jesus is the only well of salvation.

Prayer Requests:

- Outreaches for 2019
- New Staff Members
- Finances for Base Maintenance and Repair

As you can see in the picture, much work is being done on the YWAM Base in Fairbanks right now. We have had several teams and volunteers help us to continue the insulation, siding, and repairs we started last summer. We are so grateful for their assistance and that they listened to God, to come to Alaska and help out. Many of these teams do work during the day and evangelize in the evening. So far,

they have finished siding the building, rebuilt the side stairs and railing that had become very weak, and they repainted the stairs and finished our two-story shed that had been without upper siding for years. They even cut up cords of firewood from many trees that had been cleared and donated. This will help out so much this winter with our heating

costs! Your giving has provided the supplies needed to accomplish this. It allows the campus to keep functioning and hosting all the seminars and prayer meetings to reach the Interior of Alaska. We are so grateful for that support. Lives are being changed and we have some inspiring testimonies to share next month.
