Greetings In The Name Of Jesus Our Savior!

***Neh 4:16-17 NASB** - From that day on, half of my servants carried on the work while half of them held the spears, the shields, the bows and the breastplates; and the captains were behind the whole house of Judah. Those who were rebuilding the wall and those who carried burdens took their load with one hand doing the work and the other holding a weapon.*

We were blessed this week to have a work team from First Assembly of God, Des Allemands, Louisiana to help with repairs at the YWAM Fairbanks base. A group of six dedicated people came and repaired everything from pipes, to decking, painting, door installation, railing and so

much more - they even planted a garden and mowed the lawn! It is such a blessing to witness love poured out through practical acts of service.

What is just as important is to support and intercede for those in service - that is what it means to carry the spears and shields. We each have to hold a weapon, which is the Word of God, and maintain our own prayer life. But, we must remember to pray for our brothers and sisters as they are working, both for physical and spiritual labor.

We will be offering a special seminar June 25-27, on Hearing the Voice of God, which will be open to the community. We hope this will be a blessing to the local churches of Interior Alaska and begin to reestablish the YWAM Fairbanks base.

God's people have been faithful and we are a little over half-way to our \$20,000 goal for a new boiler system. We should have enough to purchase the new unit this month and believe for the rest to install and test the new system. Our mission team toughed it out with no heat, so we used the fireplace to break the morning chill. Praise God for backup!
