*"The light of the moon will be as the light of the sun, and the light of the sun will be seven times brighter, like the light of seven days, on the day the LORD binds up the fracture of His people and heals the bruise He has inflicted." - Isaiah 30:26*

**MIRACLE IN TETLIN!** The YWAM team from Tyler, Texas traveled with the staff from YWAM Fairbanks to the village of Tetlin, Alaska, which is about 4 hours from Fairbanks toward Canada. The team met with the

people of the village of Tetlin in the Tribal Hall. They cleaned, served food, taught and prayed. Before

they were to leave they were asked to pray over the land — so they went to a “High Place” overlooking the valley. The river (tributary) that passed by the village had been dry for two years. This meant they had to travel elsewhere to fish and local wildlife was effected. The wells were drying up as the water table dropped. They needed God to restore their river. The team prayed on a Tuesday before they left and THREE DAYS later, on Friday, the river was full and flowing. From that visit, Revival has broken out in the village of Tetlin! A nearby village in Canada, across the border, called Cooper

River Full and Flowing

Center, has asked YWAM to come pray for their village and river. This type of miracle opens doors into the hearts of a people who are deeply connected to the land. This is both a physical and spiritual restoration. God is binding up the fracture of His people and healing the

land. His love is evident for the outlying villages and more doors are opening for ministry. Believe with us that God is beginning a fabulous work and true restoration is taking place — for their is yet much healing needed. God is calling YWAM Fairbanks to the villages to make disciples and we are thankful you are here with us in Spirit!
