Then He said to His disciples, "The harvest is plentiful, but the workers are few. Therefore beseech the Lord of the harvest to send out workers into His harvest." Matthew 9:37-38

The harvest is truly plentiful throughout the whole earth. The Gospel is being preached to all the nations. Interior Alaska is our part of the world to evangelize and make disciples in. We are always praying for workers and help, and now the Lord is sending us help from a unique place. Brother/Pastor Andrew Kirya and his family, Joyce (wife) and three children, Chara, Josiah, and Jonathan are moving to Alaska from Uganda. He is already here, and is being sponsored by

Mountain Mover's Church. He is partaking in a 10-day revival with Mountain Movers, and fellow pastors, from around the world, are staying at the YWAM base in Fairbanks. It is making a mighty impact and we are in the midst of this revival right now. Brother Andrew and his family will be moving in to the apartment at the FCM base in North Pole, Alaska (11 miles from Fairbanks). We are currently remodeling this facility to have an extra bedroom for their family, since it is only a two-bedroom facility. We need to raise some extra funds to pull this off as well as fund repairs for the main YWAM base. God always supplies our needs!

Prayer Requests:

- Ministry teams and outreach
- Funds for remodeling and repairs to both bases

Brother Andrew preaching at Mountain Movers

He will be holding prayer meetings at FCM/YWAM and teaching in many of the villages. He is founder and director of Zion International Christian Ministries. He worked with the Assemblies of God in Uganda where he planted several churches, teaching Bible and also served as a worship leader. He also planted a church in London, UK, did missionary work in Singapore, Colombia and Haiti. He feels called to reach Alaska and now has a radio program on KJNP (King Jesus North Pole) called "Living Life Differently." We are believing God to use him in a mighty way and partner with us in ministry. He has a heart to prepare God's people for great revival.

Personal: I will be traveling to Texas June 28, through July 5th, for a Thurlby family reunion in Ore City, Texas. My children will be with me and I will have the opportunity to see relatives that I haven't seen since Dale's funeral. With the adoption of Connor last year, I now have seven grandchildren that God has blessed me with and look forward to seeing them this month—please pray for travel mercies, as it is a long flight with several layovers.

God is moving in ways we could not have foreseen. Keep believing for long-term workers to commit to these ministries. We lift up every prayer request you send in and see it as a privilege to do so. May the Lord speak peace to your hearts and serve with joy!

Co-laborers in Christ,

Joyce Thurlby
