*I will say to the LORD, "My refuge and my fortress, My God, in whom I trust!" For it is He who delivers you from the snare of the trapper And from the deadly pestilence. - Psalm 91:2-3*

We put our trust in God! That is the basic position of a follower of Christ. No matter what is happening in the world around us, we stand firm knowing that God can take any situation and use it for His glory. Many people fear the Corona Virus and we should all use wisdom in our health, but God is with us. Whether we experience sickness or not, we live for His purposes and believe in His provision. We are still here on this Earth to share the Gospel to our communities and family. We do that with words and our actions. Recently, Mountain Mover's Church had several members compete in the Fur Rondy 2020 Sled Dog Race in Anchorage, Alaska. Pastor Craig Nicholia helped with revival services during the week of

the dog race. Members from the church won 2nd and 6th place. In everything we do, we can witness of God's power — even in a competition! We take the Good News with us. Sled dog racing is a big deal in Alaska and this is the time of year when all the races start taking place, including the Iditarod which starts March 7th. God can give us creative ways to reach out to our communities.

**Prayer Requests:**

- Repairs to house caused by frozen pipes
- Long-Term Staff for YWAM
- Summer Outreach Teams

In the above photo, Native Evangelist, David Solomon, shares with Golden Heart Church. Brother David does outreach to villages all over Alaska. It is encouraging to hear testimonies of what God is doing and help support Evangelists like David.

There is also a Russian group that met with us and showed us outreaches, especially to children and youth, they are accomplishing in the villages. We are praying about the possibility of working with them this summer — which is when most of the outreaches take place.

We have had several people contact us from many different areas: Canada, Hawaii, Texas, Oregon, Arkansas. Some are asking about schools that we plan to hold in the future. Some just want to help with an outreach or program. Others want to partner with us and help with existing ministry. It seems like doors are opening and we have had more people asking about YWAM Fairbanks than ever before. So, please pray for wisdom and finances to accomplish what God wants to do, and again, we put our trust in the power of Jesus' Name, no matter what the enemy may do.

*Co-laborers in Christ,  
Joyce Thurlby*
