For this reason I remind you to kindle afresh the gift of God which is in you through the laying on of my hands. - 2 Timothy 1:6

We all need to be reminded of the gift of God in us. Every believer is inhabited by the Spirit of God because we are the temple of the Lord (1 Cor. 6:19). How do we kindle the flame? We let our light shine around us. If God has gifted us as encourager, then we encourage. If we can teach, we should teach. Maybe you are a gifted counselor or healer — then use those gifts for the glory of God — be bold and share what God has done for you!

On February 20th, Pastor Marvin Carroll from Golden Heart and Pastor Dale from Born Again Believers, ordained Sallie Lovell as an Associate Pastor with Golden Heart Church. She has three grown sons and one is attending Oral Roberts University to study to be a minister. Her husband is a retired professional chef. Robert & Eleanor Roehl are a couple in ministry used in the prophetic, and ministered that Sunday. They were there, as well as the pastor and congregation, to lay hands on Sallie Lovell to commission her into ministry. She has a heart for ministry in Alaska.

Prayer Requests:

- Ministry Opportunities for Teams Arriving
- Training Local Leaders

Kingdom Alliance, Mountain Movers and Golden Heart churches are all in a time of prayer and fasting from March 1st to March 14th. They are dedicated to believing for revival in Alaska and are reading two chapters from Acts a day. Please believe with us for great change in the community and for many to come to the knowledge of salvation. YWAM and FCM have always worked with local churches and we are participating in this fast.

February 19th, 30 people came to the YWAM base for a ministry luncheon. Most were leaders from other ministries

and churches. It is so important to fellowship with other believers so that we can work together as the whole body of Christ. We can stir up the gifts in each other.

This summer we expect many ministry teams to begin arriving to work on maintenance at the YWAM base, and also to minister together with local churches in outreaches to the villages. With cases of Covid diminishing, we hope to be able to enter villages that were closed to outsiders during the pandemic. It has been two difficult years of limited outreach, but we know that God will open those doors again.

*Co-laborers in Christ,
Joyce Thurlby*
