**Greetings In The Name Of Jesus Our Hope!**

**1Cor.12:18-19 But now hath God set the members each one of them in the body, even as it pleased him. And if they were all one member, where were the body?**

It takes time to build a body. More so, when the transition comes in the midst of unplanned circumstances. The most important revelation is knowing what pleases God, so that we don't build according to our vision, but the direction of the Spirit. God is sending help to the YWAM Fairbanks base. Just this past week, a local

Plumber Repairing Pipes

plumber, who had given a bid to make repairs at \$95 an hour, called back later and offered his labor for free — we only had to supply the materials. This is a major blessing and we still need to finish raising the funds to purchase the furnace so that everything is up and running again. May 28th, we have a work crew coming from Louisiana to help with repairs on windows, doors, landscaping and other projects. A YWAM ministry out of Hawaii with *Island Breeze*

contacted us to use our base for their outreaches this summer. This is a wonderful ministry that uses Native Dancing from different cultures to minister the Gospel.

My children, Shana and Derek, will be here with their families for the committal service on June 12. Derek and his family will be staying longer to help.

Fairbanks is the supply center for interior Alaska. It is our desire for YWAM Fairbanks to be a prayer and discipleship model for this entire region. So many villages do not have elders or pastors to lead the churches that already exist. We ask all our supporters, as God leads, to remember the needs in the prayer list as often as possible.

**Prayer changes lives!**
