*"And I fell at his feet to worship him. But he said to me, "See [that you do] not [do that]! I am your fellow servant, and of your brethren who have the testimony of Jesus. Worship God! For the testimony of Jesus is the spirit of prophecy.""* - Revelation 19:10 NKJV

It's all about Jesus. When we see the tumult of this world, there is something deep within our hearts that cries out for the presence of Christ. He is the truth, and therefore all prophecy must point to Him and the establishment of His kingdom on Earth—that begins with us!

Recently a lady testified at Mountain Mover's Church that twenty years ago she had converted to the Jewish religion and was even a prominent leader in the synagogue. She had died in a car accident and was brought back to life, and while dead (to this world) she had a vision of Jesus. Now, all she wants to do is talk about Jesus and they don't know what to do with her in the synagogue. She has been coming to the Native Church because she senses the Spirit of God there.

Another testimony comes from a man (who wished to remain anonymous) that was released from prison last August. He had been sentenced to ten years for violence and his wife had divorced him. He was delivered from drugs and alcohol while in prison and started living for God. Someone gave him a guitar and he started leading worship in the services at the prison. He was let out early for good behavior and now helps lead worship in a local church. Praise God for changed lives! These types of miracles still happen. Don't give up on loved ones that may be facing struggles and are even in prison now because of them.

The snow has finally started to melt, even though we are still getting some new snow. May is the transition month when winter finally let's go. We have a short summer window to do any outside maintenance or construction on the YWAM base and Faith Christian Mission buildings. This is when we need the most help.

**Prayer Requests:**

- Ministry teams and outreach
- Volunteers and Staff

Services at Golden Heart - Downtown Fairbanks

**Events:** June 1-10 we will be having a revival at Mountain Mover's Church. People will be coming from all over Interior Alaska and we will be housing some of them at the YWAM base. We will be working on many

projects before they arrive, including insulating and repairing the water heater. As you can see, there is always lots of grass to mow as well. We are believing for a Summer full of mighty outreaches and changed lives. We will lift you up in prayer as well, as we work together to establish His kingdom and glorify Jesus.
