And he said to them, "Do not be amazed; you are looking for Jesus the Nazarene, who has been crucified. He has risen; He is not here; behold, [here is] the place where they laid Him. (Mar 16:6)

Let us never forget that we serve a Risen Christ! Jesus overcame the power of sin that leads to death by rising from the dead and giving His righteousness to us. This wasn't so we could sit back and wait for heaven, but to declare the Good News of His Resurrection to all those around us. That quality of eternal life starts now, because it gives us love, hope for tomorrow, healing of relationships, and even physical ailments. Those are just a foretaste of what's ahead. Jesus died AND rose again. That means we have Resurrection life in us.

We had a wonderful time celebrating Easter at Mountain Movers and Golden Heart Church. We are truly an international family with many different races and nationalities coming together. We will be participating in the International Prophetic Fire Conference and Revival at Mountain Movers church from June 3-13. Joseph Jayakumar from Inida, Per Cedegardh from Sweden, and Art Nelson (ex-gang leader), and our own Andrew Kirya from Uganda, who with his family, stays at FCM full-time. We will be hosting the leadership and their families at YWAM Fairbanks.

Prayer Requests:

- Outreaches for 2019
- New Staff Members
- Finances for Base Maintenance and Repair

Right - *Wednesday night prayer group for Golden Heart.*

Our ministry team that has been serving in Minto, usually comes and stays on Thursday nights at the YWAM base on their day off. On top of it all, we

will have many groups coming who will be doing the summer maintenance and repairs on the mission properties. We have a short, summer window to do any repairs and that's usually the only time many people will come up. This is the time when we often need extra funds to do these type of repairs (windows, insulation, plumbing, etc.). Any extra that could be given would be appreciated. Most of these teams provide their own way here and even give a little to help with food and utility cost. Everything is a higher cost here because of shipping.

One of our most important ministries here is the prayer meetings we have on Wednesday and Thursday nights. We also meet on Saturday night with Village Voice, which is a live radio program of singing, teaching and praying that is heard all over Alaska, but is focused on Native Villages. God moves when the people of God pray and are in unity.

Don't forget to send in your prayer requests, because it is our joy to lift them up and agree with you. Remember; there is hope because Christ arose, He arose!
