

Faith Christian Mission

May 2022

PO Box 56991

North Pole, Alaska

99705-1991

Phone: 325-201-1866

Prayer Requests:

- Ministry Opportunities for Teams Arriving
- Training Local Leaders

The things which you have heard from me in the presence of many witnesses, entrust these to faithful men who will be able to teach others also. - 2 Timothy 2:2

The Christian faith is a living faith, that is shared from person to person by experiencing the love of Christ in the process of discipleship. Faithful believers know it's their responsibility to disciple others. This is a process that takes years. Jesus spent at least three years with his disciples. If you are a parent then you have 18 years to disciple your children — not a simple task! If your kids have left home, then you can reach out, for there are many families in need. In the picture below,

Dobie Weasel and Eric are teaching on discipleship at the YWAM base April 22-23rd, with at least 25 attending these special sessions. The teaching was called, "Mentoring Discipleship Movements." The focus was on mentoring an individual for six months, then having them disciple someone. The process involved using Scripture with repetition, and asking lots of questions till they understood the passage. Then, the cycle repeated as a movement.

Dobie Weasel also taught at Golden Heart Fellowship on Sunday, April 24th. In the picture below he is wearing a prayer shawl.

James Nesbit and Ed Watts had a three-day combined revival with Golden Heart and two other churches. It was prophesied that Alaska would spearhead a great revival that would spread to other states. This has been prophesied by several different groups and we believe that the fulfillment is near!

This summer, we will have intercessor groups coming from South America, a revival at KJNP radio station in July, and Next Step to do maintenance on YWAM and other ministries. It will be a busy summer.

April 22nd, I had to have snow plowed from my driveway, because it was melting and coming in to my house. We had record snow this winter and are concerned about flooding this spring and summer. The water table is

six feet below my home. I am not far from the Chena river. Pray that everything will melt slow enough to keep the city from flooding. Also, remember the many outreaches this summer, when most of our village ministry takes place. Thank you so much for your support and may the Lord place individuals in your life to disciple for Jesus!

*Co-laborers in Christ,
Joyce Thurlby*
