

Faith Christian Mission

November 2015

PO Box 56991
North Pole, Alaska
99705-1991

"Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance and the sin which so easily entangles us, and let us run with endurance the race that is set before us," - Hebrews 12:1

We all have a race to run, a calling to fulfill, a good fight of faith. Those that have gone before us have become the cloud of witnesses through the ages and champions of the faith whose lives are examples of endurance. Of course, Jesus is the author and perfecter of our faith.

We have some exciting updates to tell you about and this newsletter has a special page remembering and honoring the work of Dale Thurlby, who passed away November 5th, of 2014. Even though as believers we know that our loved ones are with Christ and we will see them again; it does not make the loss of their leadership and friendship any easier — so please take time to remember (with joy) the work of Dr. Dale Thurlby.

Just in time: Winter is here and the rivers and ponds are freezing over already with temperatures falling below 0 at night. Chris Paul and Anthony Morris have been working steadily to finish installing the new boiler

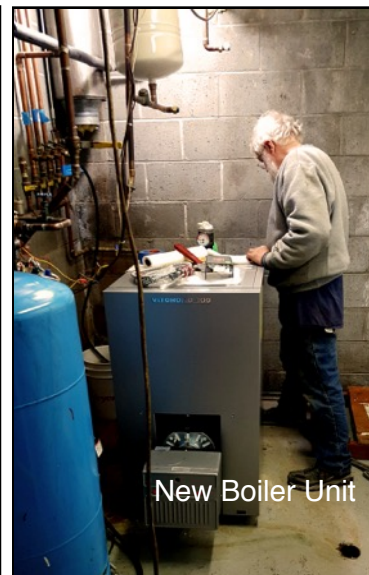

system that we needed after our January freeze-up earlier this year. We have many more broken circulation

pipes than we anticipated, but God has supplied miraculously through your generous giving and the help of the local community and staff of FCM/YWAM. Thank you so much for your help.

Prayer Requests:

- Wisdom for Board of YWAM
- More Supporters for YWAM discipleship programs - especially local churches

New Boiler Unit

Answered Prayer: We have been praying for open doors into the villages. Recently, Dennis Raines (new staff for YWAM in last newsletter) had the opportunity to travel to Hooper Bay, Alaska to minister through counseling to hurting families that had experienced four suicides in two weeks time. This is what we are here for, to stand against the darkness and reach into the lives of hurting families, discipling a generation that will give hope where there has been little hope. Continue to pray for us and all those ministering in Interior Alaska. Please take time to pray for the Thurlby family as well as they remember the work and life of Dr. Dale Thurlby.
