By faith Abraham, when he was called, obeyed by going out to a place which he was to receive for an inheritance; and he went out, not knowing where he was going. - Hebrews 11:8

Dale Thurlby was the kind of man that would obey the call even if he didn't know what would happen when he arrived. He had a pioneering faith. Dale and I moved to Alaska in 2009, after receiving a clear word to continue in full-time ministry, when we had thought it was time to retire. Five years ago on November 5th, 2014, Dale passed away in a car accident. We had just received the director position at YWAM Fairbanks and were preparing for what God was going to do there. Five years later, and I see that God has made a way in the midst of loss and established a "spiritual inheritance" in a land where we had no idea what would happen when we arrived in 2009. November is a month for Thanksgiving, both in literal and spiritual harvests. Ten years of ministry in Alaska have gone by so quickly and I am

believing for an even greater harvest, and to train up those that would continue the ministry of YWAM and FCM for the years to come. Only God knows the future, but we know He is Sovereign over it. It is important to take the time and remember those who have gone before us and be thankful for how God used their lives.

Prayer Requests:

- Ministry During Winter Months
- Local Ministry
- Travel During Holidays

The above picture is of a funeral at the David Salmon Tribal hall, the same building that Golden Heart Native Church meets in. It was for the husband of Violet Mayo, who sings on the worship team. Everyone has loved ones that have passed on, and it is biblical to grieve their loss, but also to be thankful for how God used their lives.

Most importantly, let us take the time in prayer to cry out for those who do not know Jesus as Savior of the world. We do not know the day nor the hour when Jesus will return, but we know that He has commissioned us to share the message of the Gospel—especially to our families! Right, is a photo of us honoring twenty years of ministry of Mountain Movers Church.

October was Pastor appreciation month, so don't forget to encourage and pray for your own pastor, as well as missionaries you support. We are so thankful for that support.
