*I have fought the good fight, I have finished the course, I have kept the faith; - 2Ti 4:7*

My husband, William Dale Thurlby, spent fifty years in ministry fighting the “good fight.” God used us in planting many churches, leading Bible schools, and doing outreach and missionary work all over the United States and many countries around the world. It will be four years this November 5th, since he passed away in a car accident here in Fairbanks, Alaska. We moved to Alaska in 2009, just when we thought we might be retiring, and God has used this work to bless many peoples’ lives. He left an unfinished book he had been working on before he died and we have finished it. It is now available to download and read from Amazon as an ebook. All proceeds from the book go to ministry here. We will be releasing it as a printed book as well as

Word and confirms to our hearts by the Spirit. Never give up on your family—God will make a way!

Pastor Marvin and Brother Andrew Kirya, one of our resident missionaries, is praying for a village elder at YWAM Fairbanks, at our weekly prayer meeting. Prayer does change situations, and most of all, our hearts to receive from God. Brother Andrew and his family are living at the FCM facilities in North Pole, and we will be having revival and teaching seminars at that facility as well. We believe God will do great things in those meetings.

**Testimony:** During prayer at Mountain Mover’s Church, on a recent Sunday, there were several healings. One lady had a cyst on her neck disappear and Pastor Craig was healed from a shoulder injury he had sustained while lifting weights. God takes care of us. We also had a whole moose given to us by the Wildlife Troopers (Game Warden) that had been confiscated from a hunter. It was already cleaned and quartered! Moose soup is one of the favorite meals here.

Thank you to all of those who gave extra to help with our biggest cost, fuel heating oil. We appreciate your continued support so
