*But as for me, the nearness of God is my good; I have made the Lord GOD my refuge, That I may tell of all Your works. - Psalm 73:28*

Whether we realize it or not, the cry of our heart is to be near to God. All that the world offers does not compare to the **goodness** of God. It is because God is good that we can take refuge in Him. We are to share that goodness to others through testimony and preaching the Gospel, and thus tell all His works. For three weeks, a cousin and his wife and two daughters (Bill and Terri Valley — related to Dale Thurlby), stayed with me. They not only enjoyed the scenery of Alaska but helped share in the ministry outreach here.

They have a unique ministry in which they witness to others by wearing “Trust Jesus,” tee-shirts, so that people see the essence of the Gospel message before they realize what they’re reading. Of course, they share their personal testimony as well to all who are willing to listen. Four and a half years ago, Terri, who had been a dedicated Mormon for 25 years, discovered the truth of the Gospel message, when Jesus removed the “scales from her eyes” and revealed the truth of God’s love to her. Now she shares that testimony wherever she goes and she and Bill give out these tee-shirts for free for others to do the same. God can use everyone of us in a

- Preparation for Winter Season

unique way to express God’s love to others. Don’t limit what God will do through you! Below, Terri is sharing her testimony at KJNP (King Jesus North Pole) radio station that reaches Alaska and parts of Canada. They broadcast everyday and have a special meeting for testimonies and singing on Saturday nights. Many villages receive this broadcast and it is one of the only radio

stations they can get — a true blessing for them. In the photo at right, we are praying for David Ebel, a dedicated young man

who will be attending the University of Alaska. David has been a real blessing at the YWAM base, and he, and his family, have helped with so many needs from clearing snow, to repairing the base, and the many outreaches we have done. As we approach our winter season, we will continue our weekly prayer meetings, teachings, and weekend ministry at the Native Churches we work with. Let us all remember to draw near to God and proclaim the testimony of His work!
