First of all, then, I urge that entreaties [and] prayers, petitions [and] thanksgivings, be made on behalf of all men, for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity. - 1 Timothy 2:1-2

We are URGED to pray for those in authority. This is not just for our political leaders, but our spiritual, community, school, and business leaders as well. God has given us the grace-based privilege of prayer, to petition Him for help, and we cooperate with God’s Spirit. Part of praying for another is to be willing to be part of the answer to that prayer. What we pray for, we must be willing to do, if called upon. That is the heart of compassion that God desires of us. We, as the body of Christ, need to earnestly pray for a nation that will turn from evil and ask for salvation for our leaders. God can change hearts, and how we love one another is our greatest witness.

One way we demonstrate that love is a sing-a-long time that we had on the YWAM base recently, to encourage the body of Christ to share song and worship with one another —testimonies as well!

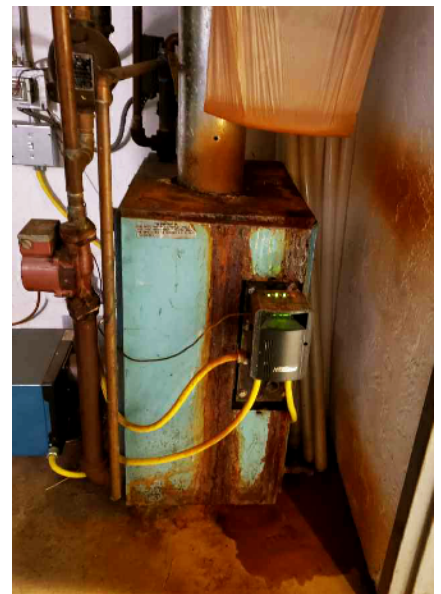

*Co-laborers in Christ,
Joyce Thursby*

Prayer Requests:

- Protection and Health for Workers
- Long-Term Staff for YWAM
- Winterizing YWAM and FCM Base

YWAM and FCM both believe that we are called to encourage believers to come together in unity; that is why we work with many churches, both independent denominational. If they believe Jesus is the Son of God, risen on the third day, we are willing to work with them!

Our FCM (Faith Christian Mission) facility is used weekly to teach the Bible and host events for Native churches. Our main boiler that heats the building is very old and has seen many repairs over the years, but is in need of some major overhaul before winter sets in. It is already in the 30’s at night here.

As you can see in the photo above, it has started leaking from the main supply pipes and we are evaluating how to fix or replace it. We have to have reliable heat in this climate or the building cannot be used. If the Lord impresses any special gifts toward this project, please notate on the giving envelope. We want these facilities to be used for many years ahead and we appreciate all the prayer and support you have given. The ministry continues on and God has made these two locations anchors for leadership and community prayer. Keep believing with us and for our nation — God bless you and keep you!
