He said to him the third time, "Simon, son of John, do you love me?" Peter was grieved because he said to him the third time, "Do you love me?" and he said to him, "Lord, you know everything; you know that I love you." Jesus said to him, "Feed my sheep. - John 21:17

Our society wants to limit love to a feeling we have about others. Jesus connects love to an action that we take, arising from a conviction we have. As believers, we are in covenant with God, and because of that we receive God's love, which He demonstrated in the life, death and resurrection of Jesus — that is what God "did" for us. Our response is to give that love as well, by laying our life down in service of others. Jesus said, "If you do it for the least of these you have done it unto me" (Matthew 25:40). Part of the way we do that is to feed and shepherd/tend the flock. We must spend time teaching and discipling other believers to follow Jesus.

We recently had a conference, the weekend of September 25th, to train and equip believers. We were able to use the Friends Church for the conference.

Above, Eleanor Roehl performs Native dancing and Robert Roehl played flute. Many speakers encouraged all who attended. Covid has limited people who could come, but we appreciated all who could attend.

Prayer Requests:

- Preparing for winter
- Protection for health and workers

Above Rocky is welcoming people to the conference. We take every opportunity we have to teach and preach the Gospel.

Testimony: Mary Lee, who is an Apache Native Evangelist, was here as well. She stayed at the YWAM base with her ministry team and had a powerful experience to share. This occurred on August 18th.

They were sitting around the dining room table and had just prayed for someone and used the rest of their anointing oil. She placed the empty bottle on the table, and while they were praying a cloud filled the room, and they saw the anointing oil bottle refilling. They moved into the living room and the cloud followed them and they heard footsteps, and became aware that the presence of Jesus was there. Mary Lee saw, in a vision, Jesus handing her a golden platter which had meat, bread, vegetables and fruits. She was told to "feed my people." She understood that as her need to preach the Gospel and teach the whole Word of God. She told me the YWAM base was an anointed location, and put some of the anointing oil from the refilled bottle on my hands, and it had a wonderful fragrance.

This is an amazing testimony and we should all take to heart the need to know the truth of the scriptures, and take seriously the command to share that truth with the body of Christ. Believe with us for more open doors to share the truth and feed His people!
