To All Those Who Endure in the Faith!

But as for you, brethren, do not grow weary of doing good. (2Th 3:13)

Thank You! We wanted to start off by thanking all those who have supported FCM/YWAM over the years, through both prayer and finances. Some of you have even traveled to see us personally. Many of you gave beyond your monthly support to help purchase the new boiler (heater) system. By God's grace, it will be installed this next week and we will have pictures to show you in the next newsletter — without it, the building would be unusable for eight (8) months out of the year.

Prayer Ministry: All of us with FCM/YWAM pray for the requests sent in by those who receive this newsletter and we have a special time of group prayer every other week going over all the requests sent in - we know that prayer changes lives and situations because God's Word has declared it so! (Matthew 21:22)

Update: The old wood shed was successfully moved and now the area is being prepared for additional parking.

Prayer Requests:

- Breakthrough for open doors for ministry in the villages
- Special Seminars and Outreach
- Morris Family Ministry with Local Youth and Golden Heart Church
- Food Outreach September 12-13th

Testimony: Sunday August, 30th at Golden Heart Native Church in Fairbanks Alaska, a family came forward in the middle of the service and all their

children made a confession of faith. This prompted other teenagers and children to come forward for a total of nine (9) salvations. That Sunday was Communion, so the new believers participated in Communion as well. God is bringing young people into His Kingdom. Thank you for supporting this type of ministry as God uses His people to disciple and preach the Gospel to Interior Alaska — you are part of it — don't grow weary in doing good!
